SUMMARY STATEMENT OF DEFICIENCIES (FINDINGS PRECEDED BY TAGS AND REGULATORY IDENTIFYING INFORMATION)		
Resident record review revealed there was no interdisciplinary care plan between hospice and the facility for Resident #10, admitted to Hospice on Interview with the Administrator was conducted on 11/27/2018 at 11:40am. The Administrator confirmed there was no interdisciplinary care plan between hospice and the facility for Resident #10. Class III 0052 - Medication - Assistance with Self-Admin - 429.256(); 58A-5.0185 (3) Assisted Living Facility Based on observation, record review and interview, the facility failed to ensure unlicensed staff read the medication label aloud in the presence of the resident for five residents (#1,#3,#4,#5 and #6) of five sampled residents, and failed to observe a resident take the medication for one resident (#5) of five residents sampled. Findings Included: During observation of assistance with medication self-administration for Residents #1,#3,#4,#5 and #6 conducted on staff D was observed pulling medications while standing at medication cart and popping the pills into a cup, returning the medication card to the drawer and carrying the cup of pills to the resident's room. During a record review of the facility's policy and procedure on How to retrieve Medications page 57, conducted on it states: 1. Take the medication, its previously dispensed, properly labeled container, from where it is stored, check it, and bring it to the resident. 2. In the presence of the resident, check it again, read the label, open the container, remove the correct prescribed amount of medication from the container, and close the container. During observation of assistance with medication self-administration for Resident #5 conducted on at 12:07 PM Staff D was observed placing medication on resident bed-side table in room and instructed resident to finish drinking. During an interview with Staff D conducted on 11-27-18 at 2:42 PM they stated that they leave the medication in resident's room because they take so long to finish drinking the medication.
