SUMMARY STATEMENT OF DEFICIENCIES (FINDINGS PRECEDED BY TAGS AND REGULATORY IDENTIFYING INFORMATION)		
0000 - Initial Comments On 11/06/2018, an unannounced complaint investigation survey (CCR #2018012938) was conducted at Brentwood Retirement Community Assisted Living Facility (License #4987), Lecanto, Florida. Deficient practice was identified at the time of the survey. 0152 - Physical Plant - Safe Living Environ/Other - 58A-5.023(3) FAC Based on observation, interview and record review, the facility failed to provide a safe living environment free of hazards to 144 residents. Findings: On 11/06/2018 at 10:20 AM, during a tour of the facility, two broken areas of the fence surrounding the in-ground pool were observed. One area was visible from the adjacent neighborhood. The other broken portion of the fence observed from the pool view was located on the right side of the fence, which faces the side of the Palms resident apartment building. The surveyor was able to easily walk between the two broken areas of fencing and enter the pool area. (Photographic evidence obtained). On 11/06/2018 at 11:05 AM, during an interview, Staff B, Maintenance Director, confirmed the immediate need to make repairs to the fence due to safety reasons. Staff B further stated there were plans for a complete renovation of the pool, at which time the fence would be replaced. During a record review of the facility proposal to renovate the pool area, no mention of the fence was found in the description of the renovations proposed. Class III
