SUMMARY STATEMENT OF DEFICIENCIES (FINDINGS PRECEDED BY TAGS AND REGULATORY IDENTIFYING INFORMATION)		
0000 - Initial Comments An unannounced closure monitoring survey was conducted at Cairn Park, an assisted living facility (license #12629) in Fort Myers, Florida. Arrived at 9:00 a.m. on 2/19/19 at gated community at the Forum. Called the Cairn Park phone number and got no answer. Called the Administrator at Cairn Park 3 at 9:55 a.m. to inform her I needed to get into the gated community where Cairn Park was located. She informed me Cairn Park at the Forum was closed the end of January 2019 and she did not have a code to open the gate. She reported the facility was closed because the Home Owners Association did not grant permission for propane tanks for the generator. At 10:20 a.m. the owner of Cairn Park was called and he reported he did not let the facility license for Cairn Park renew. He reported he spoke to staff at the Assisted Living Facility licensing unit in Tallahassee. He reported he also sent them an email. The surveyor was able to access the Cairn Park facility at 12:15 p.m., after speaking to the owner. The facility was closed and there were no staff or residents present and no resident belongings were on the premises.
