(a) In order to accommodate the needs and preferences of residents and to encourage residents to remain as independent as possible, residents may keep their medications, both prescription and over-the-counter, in their possession both on or off the facility premises. Residents may also store their medication in their rooms or apartments if either the room is kept locked when residents are absent or the medication is stored in a secure place that is out of sight of other residents. (b) Both prescription and over-the-counter medications for residents must be centrally stored if: 1. The facility administers the medication; 2. The resident requests central storage. The facility must maintain a list of all medications being stored pursuant to such a request; 3. The medication is determined and documented by the health care provider to be hazardous if kept in the personal possession of the person for whom it is prescribed; 4. The resident fails to maintain the medication in a safe manner as described in this paragraph; 5. The facility determines that, because of physical arrangements and the conditions or habits of residents, the personal possession of medication by a resident poses a safety hazard to other residents, or	A 055

CZ815	Continued From page 7 Based on record review and interview the facility failed to have an eligible level II background screening for one out of six sampled staff (C). Findings included: Review of Staff C's personnel file revealed that the copy of the results on the level II background screening stated, "Screening in progress." On the Administrator stated at 10:30 AM that Staff C had had a break-in-service and she had a new background done last week. On at 10:17 AM the Benefits Coordinator from the corporate sent a message to the Administrator that stated, "The screening was received from FDLE on we must wait 5 to 10 business day to be clear on the system."
