A 000	Initial Comments An unannounced abbreviated biennial survey with limited nursing services (LNS) review was conducted at Wesley Haven Villa on . Deficient practice was found at the time of the survey.	A 000		
A 078 SS=D	58A-5.019(2) FAC Staffing Standards - Staff (2) STAFF: (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable . The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable, such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable	A 078

A 078	Continued From page 1 (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 58A-5.0191, F.A.C. (d) An assisted living facility _____ to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff _____ by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on interview and record review, the facility failed to document that an employee had a one time statement completed by a health care provider (M.D., P.A., or ARNP) within 6 months prior to hire or within 30 days of hire that they are free of communicable _____, including _____, for 1	A 078

A 093	Continued From page 3 New%20Material%5DR1%20Values%20SummaryT ables%2014.pdf. Therapeutic diets must meet these nutritional standards to the extent possible. (b) The residents' nutritional needs must be met by offering a variety of meals adapted to the food habits, preferences, and physical abilities of the residents, and must be prepared through the use of standardized recipes. For facilities with a licensed capacity of 16 or fewer residents, standardized recipes are not required. Unless a resident chooses to eat less, the facility must serve the standard minimum portions of food according to the Dietary Reference Intakes. (c) All regular and therapeutic menus to be used by the facility must be reviewed annually by a licensed or registered dietitian, a licensed nutritionist, or a registered dietetic technician supervised by a licensed or registered dietitian, or a licensed nutritionist to ensure the meals meet the nutritional standards established in this rule. The annual review must be documented in the facility files and include the original signature of the reviewer, registration or license number, and date reviewed. Portion sizes must be indicated on the menus or on a separate sheet. 1. Daily food servings may be divided among three or more meals per day, including snacks, as necessary to accommodate resident needs and preferences. 2. Menu items may be substituted with items of comparable nutritional value based on the seasonal availability of fresh produce or the preferences of the residents. (d) Menus must be dated and planned at least 1 week in advance for both regular and therapeutic diets. Residents must be encouraged to participate in menu planning. Planned menus must be conspicuously posted or easily available to residents. Regular and therapeutic menus as	A 093

A 093	Continued From page 4 served, with substitutions noted before or when the meal is served, must be kept on file in the facility for 6 months. (e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility. 2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal. (f) For facilities serving three or more meals a day, no more than 14 hours must elapse between the end of an evening meal containing a protein food and the beginning of a morning meal. Intervals between meals must be evenly distributed throughout the day with not less than 2 hours nor more than 6 hours between the end of one meal and the beginning of the next. For residents without access to kitchen facilities, snacks must be offered at least once per day. Snacks are not considered to be meals for the purposes of the time between meals. (g) Food must be served attractively at safe and palatable temperatures. All residents must be encouraged to eat at tables in the dining areas. A supply of eating ware sufficient for all residents, including adaptive equipment if needed by any resident, must be on hand. (h) A 3-day supply of nonperishable food, based on the number of weekly meals the facility has with residents to serve, must be on	A 093

A 093	Continued From page 5 ... at all times. The quantity must be based on the resident census and not on licensed capacity. The supply must consist of foods that can be stored safely without refrigeration. Water sufficient for drinking and food preparation must also be stored, or the facility must have a plan for obtaining water in an emergency, with the plan coordinated with and reviewed by the local disaster preparedness authority This Statute or Rule is not met as evidenced by: Based on staff interview and menu review, the facility failed to have menus that had the nutritionist review date and license number for 1 of 1 menus. The findings include: On ... at 2:45 PM, the Director of Dining Services was requested to bring in signed menus by the nutritionist. The Director went to get the Administrator who brought in the original signed menus. The menus have original signature but do not have the correct license number and do not have the date they were reviewed. An interview was conducted with the Administrator on ... at 2:55 pm. She said she did not know why the menus were not dated. She was then asked about the number on the menus which should be a license number. She said she was unsure what the number is that is on the menus. Class III	A 093
