A 200	Continued From page 14 (a) Assisted living facilities whose comprehensive emergency management plan is to evacuate must comply with this rule. (b) Each facility whose plan has been approved shall submit the plan as an addendum with any future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has been granted, each resident and the resident's legal representative: 1. Upon submission of the plan to the local emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. (b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a), above, in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure that residents and resident representatives were notified in writing of implementation of its emergency environmental control plan (EECP). Findings included:	A 200
