{CZ824}	Continued From page 6 (5) The agency may require an applicant or licensee to submit a plan of correction for deficiencies. If required, the plan of correction must be filed with the agency within 10 calendar days after notification unless an alternative timeframe is required. (6)(a) Each licensee shall maintain as public information, available upon request, records of all inspection reports pertaining to that provider that have been filed by the agency unless those reports are exempt from or contain information that is exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution or is otherwise made confidential by law. Copies of such reports shall be retained in the records of the provider for at least 3 years following the date the reports are filed and issued, regardless of a change of ownership. (b) A licensee shall, upon the request of any person who has completed a written application with intent to be admitted by such provider, any person who is a client of such provider, or any relative, spouse, or guardian of any such person, furnish to the requester a copy of the last inspection report pertaining to the licensed provider that was issued by the agency or by an accrediting organization if such report is used in lieu of a licensure inspection. 59A-35.120 Inspections. (1) When regulatory violations are identified by the Agency: (a) Deficiencies must be corrected within 30 days of the date the Agency sends the deficiency notice to the provider, unless an alternative timeframe is required or approved by the Agency. (b) The Agency may conduct an unannounced follow-up inspection or off-site review to verify correction of deficiencies at any time.	{CZ824}

{CZ824}	Continued From page 7 (2) If an inspection is completed through off-site record review, any records requested by the Agency in conjunction with the review, must be received within 7 days of request and provided at no cost to the Agency. Each licensee shall maintain the records including medical and treatment records of a client and provide access to the Agency. (3) Providers that are exempt from Agency inspections due to accreditation oversight as prescribed in authorizing statutes must provide: (a) Documentation from the accrediting agency including the name of the accrediting agency, the beginning and expiration dates of the provider's accreditation, accreditation status and type must be submitted at the time of license application, or within 21 days of accreditation. (b) Documentation of each accreditation inspection including the accreditation organization's report of findings, the provider's response and the final determination must be submitted within 21 days of final determination or the provider is no longer exempt from Agency inspection. This Statute or Rule is not met as evidenced by: Based on record review and interviews, the facility failed to correct deficient practices within 30 days of being notified in writing by the Agency for Health Care Administration. Findings included: A review of inspection reports showed that the facility was cited on deficient practices in the areas of medication records and over the licensed capacity.	{CZ824}
