{A 000}	Initial Comments An unannounced revisit survey was conducted on . . . . . at the Palms of Punta Gorda, an assisted living facility in Punta Gorda, Florida. This was a follow-up to the re-licensure, extended congregate care and emergency power plan monitoring survey completed on . The following is the description of the deficiency found at the time of this visit.	{A 000}		
{A 181}	58A-5.026(2) FAC Emergency Plan Approval (2) EMERGENCY PLAN APPROVAL. The plan must be submitted for review and approval to the local emergency management agency. (a) If the local emergency management agency requires revisions to the emergency management plan, such revisions must be made and the plan resubmitted to the local office within 30 days of receiving notification that the plan must be revised. (b) A new facility as described in Rule 58A-5.023, F.A.C., and facilities whose ownership has been transferred, must submit an emergency management plan within 30 days after obtaining a license. (c) The facility must review its emergency management plan on an annual basis. Any substantive changes must be submitted to the local emergency agency for review and approval. 1. Changes in the name, address, telephone number, or position of staff listed in the plan are not considered substantive revisions for the purposes of this rule. 2. Changes in the identification of specific staff must be submitted to the local emergency management agency annually as a signed and dated addendum that is not subject to review and	{A 181}

(e) Any plan approved by the local emergency management agency is considered to have met all the criteria and conditions established in this rule. This Statute or Rule is not met as evidenced by: Based on staff interview and record review, the facility failed to have documentation of a current approved comprehensive emergency management plan (CEMP) to ensure the safety and welfare of all residents. The findings include: On . . . . at 3:30 p.m., the Executive Director (ED) said the local emergency management office of Charlotte County will not approve their CEMP until they receive an approval letter from the Fire Marshall related to the areas they identified as needing repairs. She further said the emergency management office also told them they will not review and approve their CEMP until they have an approved emergency power plan (EPP) prior to the submission of their CEMP. The ED said as of today they have not completed the required repairs as requested by the Fire Marshall to obtain the approval letter from the Fire Marshall to submit to the local emergency management office. She also said they do not have an approved EPP because they have not installed the required generator as documented in their EPP. The ED said because they do not have the approval letter from the Fire Marshall	{A 181}
