A 000	Initial Comments An unannounced licensure complaint survey, #2019011065, was conducted on _____ at Christallis Manor, Corp. The facility had deficiencies at the time of the survey.	A 000		
A 010 SS=D	429.26(1&9) FS; 58A-5.0181(4) FAC Admissions - Continued Residency 429.26 (1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination shall be based upon an assessment of the strengths, needs, and preferences of the resident, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the appropriate contact person in the applicable department. (9) A _____, ill resident who no longer meets the criteria for continued residency may remain in the facility if the arrangement is mutually agreeable to the resident and the facility; additional care is rendered through a licensed hospice, and the resident is under the care of a physician who agrees that the physical needs of	A 010

A 010	Continued From page 1 the resident are being met. 58A-5.0181 (4) CONTINUED RESIDENCY. Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a -to- medical examination by a health care provider at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in rule 58A-5.0131, F.A.C. The results of the examination must be recorded on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are: (a) The resident may be bedridden for no more than 7 consecutive days. (b) A resident requiring care of a _____ may be retained provided that: 1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care provider, 2. The condition is documented in the resident's record; and, 3. If the resident's condition fails to improve within 30 days, as documented by a health care provider, the resident must be discharged from the facility. (c) A _____ ill resident who no longer meets the criteria for continued residency may continue to reside in the facility if the following conditions	A 010

A 010	Continued From page 2 are met: 1. The resident qualifies for, is admitted to, and consents to receive services from a licensed hospice that coordinates and ensures the provision of any additional care and services that the resident may need; 2. Both the resident, or the resident's legal representative if applicable, and the facility agree to continued residency; 3. A licensed hospice, in consultation with the facility, develops and implements a interdisciplinary care plan that specifies the services being provided by hospice and those being provided by the facility; and, 4. Documentation of the requirements of this paragraph is maintained in the resident's file. (d) The facility administrator is responsible for monitoring the continued appropriateness of placement of a resident in the facility at all times. (e) A hospice resident that meets the qualifications of continued residency pursuant to this subsection may only receive services from the assisted living facility's staff which are within the scope of the facility's license. (f) Assisted living facility staff may provide any nursing service permitted under the facility's license and total help with the activities of daily living for residents admitted to hospice; however, staff may not exceed the scope of their professional licensure or training. (g) Continued residency criteria for facilities holding an extended congregate care license are described in Rule 58A-5.030, F.A.C. This Statute or Rule is not met as evidenced by: Based on observation, interview and record review the facility failed to re-asses and complete the Resident Health Assessment for Assisted living Facilities upon the significant change of an elopement risk for 1 out of 2 resident records	A 010

A 025	Continued From page 5 the incident on; Resident #1 went with the Administrator/Owner and her mother to the Administrator's house. Resident #1 speaks Spanish and enjoys being with them. They were cooking and realized the resident was not there because the door was left open. She drove around for a while and couldn't find the resident, called daughter then called 911. It was determined that the resident was later found on the street near the Administrator's home by a passerby and brought to the hospital for examination and released to the facility. Record review of Resident #1's record revealed the resident suffers from Advanced and It was also noted the resident requires assistance with her ADLs and requires daily observation of her whereabouts. It was also noted that due to the resident's diagnosis her elopement placed her at risk for endangerment. The Administrator /Owner acknowledge the findings and no further information or documentation provided to review. Further record review revealed the Administrator/Owner did not implement a plan to prevent further elopement attempts by Resident #1. The facility failed to reassess the resident for continued residency to ensure that the facility could meet the care needs of the Resident , including supervision due to history of Class III	A 025

A 165 SS=D	Continued From page 6 429.23(&) FS; 58A-5.0241 FAC Risk Mgmt & QA; Adverse Incident Report 429.23 Internal risk management and quality assurance program; adverse incidents and reporting requirements.- (1) Every facility licensed under this part may, as part of its administrative functions, voluntarily establish a risk management and quality assurance program, the purpose of which is to assess resident care practices, facility incident reports, deficiencies cited by the agency, adverse incident reports, and resident grievances and develop plans of action to correct and respond quickly to identify quality differences. (2) Every facility licensed under this part is required to maintain adverse incident reports. For purposes of this section, the term, "adverse incident" means: (a) An event over which facility personnel could exercise control rather than as a result of the resident's condition and results in: 1. ; 2. or damage; 3. Permanent ; 4. or of bones or joints; 5. Any condition that required medical attention to which the resident has not given his or her consent, including failure to honor advanced directives; 6. Any condition that requires the transfer of the resident from the facility to a unit providing more acute care due to the incident rather than the resident's condition before the incident; or 7. An event that is reported to law enforcement or its personnel for investigation; or (b) Resident elopement, if the elopement places the resident at risk of harm or injury. (3) Licensed facilities shall provide within 1	A 165 A 165

A 165	Continued From page 7 business day after the occurrence of an adverse incident, by electronic mail, facsimile, or United States mail, a preliminary report to the agency on all adverse incidents specified under this section. The report must include information regarding the identity of the affected resident, the type of adverse incident, and the status of the facility's investigation of the incident. (4) Licensed facilities shall provide within 15 days, by electronic mail, facsimile, or United States mail, a full report to the agency on all adverse incidents specified in this section. The report must include the results of the facility's investigation into the adverse incident. (6) . . . , neglect, or . . . must be reported to the Department of Children and Families as required under chapter 415. (7) The information reported to the agency pursuant to subsection (3) which relates to persons licensed under chapter 458, chapter 459, chapter 461, chapter 464, or chapter 465 shall be reviewed by the agency. The agency shall determine whether any of the incidents potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. The agency may investigate, as it deems appropriate, any such incident and prescribe measures that must or may be taken in response to the incident. The agency shall review each incident and determine whether it potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. (8) If the agency, through its receipt of the adverse incident reports prescribed in this part or through any investigation, has reasonable belief that conduct by a staff member or employee of a licensed facility is grounds for disciplinary action	A 165
