A1040	Continued From page 1 establishment's failure to meet a requirement of this Part does not result in harm and does not have a significant negative impact on the delivery of services to residents. A technical infraction may include a Type 3 violation that is identified and corrected during the on-site survey review process. b) The establishment shall be required to correct a technical infraction. If the establishment has taken steps to correct the technical infraction, no fine, violation, or sanction shall be imposed. c) Repeat of the same technical infraction during subsequent on-site surveys may result in a Type 3 violation. During this survey, it was identified that the establishment had soiled and worn carpet in the common areas. The regulations were reviewed with the establishment who verbalized understanding. It was determined a technical infraction would be given surrounding this event. While the surveyor was onsite, the establishment has taken steps to correct the situation, including prevention from reoccurrence, as listed in 295.9040 a). No violation imposed.	A1040
