RE: Notice of Survey Results

Dear Ms. Varney:

On June 21, 2023, the Division of Licensing and Certification conducted a complaint survey at Bangor Nursing & Rehabilitation Center to determine if the facility was in compliance with the Federal participation requirements for nursing homes participating in the Medicare and/or Medicaid programs.

Enclosed is the Form CMS-2567 form indicating that no Federal deficiencies were identified during this survey; however, a State deficiency was identified, please see the State Form for details.

If you have any questions, please contact Debra Leslie, R.N. at Debra.Leslie@Maine.gov.

Sincerely,

A handwritten signature in cursive script that reads "Debra Leslie, RN".
