F 000	INITIAL COMMENTS On 1/2/25 and 1/3/25, on-site visits were conducted at Windward Gardens for the purpose of investigating complaint #ME00050121. It was determined that Windward Gardens is not in substantial compliance with 42 CFR 483, Sub-part B Requirements for Long Term Care Facilities.	F 000	Windward Gardens provides this plan of correction without admitting or denying the validity or existence of the alleged deficiencies. This Plan of Correction is prepared and executed as evidence of the facility's continued compliance with State and Federal Regulations		
F 580 SS=D	Notify of Changes (Injury/Decline/Room, etc.) CFR(s): 483.10(g)(14)(i)-(iv)(15) §483.10(g)(14) Notification of Changes. (i) A facility must immediately inform the resident; consult with the resident's physician; and notify, consistent with his or her authority, the resident representative(s) when there is- (A) An accident involving the resident which results in injury and has the potential for requiring physician intervention; (B) A significant change in the resident's physical, mental, or psychosocial status (that is, a deterioration in health, mental, or psychosocial status in either life-threatening conditions or clinical complications); (C) A need to alter treatment significantly (that is, a need to discontinue an existing form of treatment due to adverse consequences, or to commence a new form of treatment); or (D) A decision to transfer or discharge the resident from the facility as specified in §483.15(c)(1)(ii). (ii) When making notification under paragraph (g) (14)(i) of this section, the facility must ensure that all pertinent information specified in §483.15(c)(2) is available and provided upon request to the physician. (iii) The facility must also promptly notify the resident and the resident representative, if any,	F 580	This practice has the potential to affect all residents. The events for resident #1 happened in the past and cannot be corrected. All residents were reviewed for decreased meal intake and significant weight loss. Notifications were made to Physician and R/P for those identified. All licensed staff re-educated regarding appropriate and timely notifications following decreased meal intake and significant weight loss.	2/12/25

F 580	Continued From page 4 entire clinical record lacked evidence that a provider was notified of these ongoing nutritional concerns until 12/28/24. During an interview with 2 surveyors on 1/2/25 at 12:01 p.m., Medical Doctor (MD) indicated it is his expectation that the provider be notified is a resident has not been eating appropriately as soon as possible. And would expect to be notified within 24-48 hours if someone isn't getting weights as ordered. At this time MD indicated he was only notified that Resident #1 had missed 1 meal when first admitted but had not been made aware of any further nutrition concerns, nor had he been made aware of any weight loss. During an interview on 1/2/24 at 2:28 p.m., Unit Manager (UM)1 indicated that the provider should be notified when a resident has weight loss or has not been eating well. During an interview on 1/2/24 at 1:08 p.m., Nurse Practitioner (NP) indicated that she had not been made aware of Resident 1's lack of nutrition intake or weight loss. During a telephone interview with 2 surveyors on 1/3/24 at 2:27 p.m., Registered Dietitian (RD) RD indicated the facility had not notified her that Resident #1 has not been eating adequately and wasn't receiving daily weights until she reviewed the clinical record on 12/25/24 and 12/26/24. RD further indicated she ordered a supplement, but did not notify a medical provider of the above concerns. During an interview with 2 surveyors on 1/3/24 at 2:26 p.m., the above was discussed with Director of Nursing.	F 580
