

ST. MARY'S d'Youville PAVILION

PLAN OF CORRECTION

F 880 Infection Prevention & Control CFR(s) 483.80(a)(1)(2)(4)(e)(f)

Based on observations and interview, the facility failed to maintain and implement an infection control program to help prevent the development and transmission of disease and infection for 1 of 7 residents on contact precautions. (Resident #6).

- Immediate education was provided to the two CNA's found to be non-compliant with the infection control procedures for residents on contact precautions. This education was provided by the nurse on duty and reinforced by the Nurse Unit Manager on January 2, 2025.
- The policy on Infection Prevention and Control was reviewed and revised as needed January 10, 2025.
- Education will be provided to all staff on The Basics of Standard Precautions.
- A weekly audit will be conducted to verify compliance and re-education will be provided as necessary.
- The audit reports will be presented to the QAPI Committee monthly beginning February 2025 and ongoing for 6 months.

Completion Date: 1/27/25
