RE: Project Number(s) SL38266015

Dear Administrator:

This is your **official notice** that you have been **granted your assisted living facility license.** Your license effective and expiration dates remain the same as on your provisional license. Your updated status will be listed on the license certificate at renewal and **this letter serves as proof** in the meantime. If you have not received a letter from us with information regarding renewing your license within 60 days prior to your expiration date, please contact us at (651) 201-5273 or by email at Health.assistedliving@state.mn.us.

The Minnesota Department of Health completed an initial evaluation on October 27, 2022, for the purpose assessing compliance with state licensing statutes. At the time of the evaluation, the Minnesota Department of Health noted violations of the laws pursuant to Minnesota Statute, Chapter 144G.

The enclosed State Form documents the state licensing orders. The Department of Health documents state licensing correction orders using federal software. Tag numbers are assigned to Minnesota state statutes for Home Care Providers. The assigned tag number appears in the far left column entitled "ID Prefix Tag." The state statute number and the corresponding text of the state statute out of compliance are listed in the "Summary Statement of Deficiencies" column. This column also includes the findings that are in violation of the state statute after the statement, "This MN Requirement is not met as evidenced by . . ."

IMPOSITION OF FINES
In accordance with Minn. Stat. § 144G.31, Subd. 4, fines and enforcement actions may be imposed based on the level and scope of the violations and imposed immediately with no opportunity to correct the violation first as follows:

Level 1: no fines or enforcement.
Level 2: a fine of $500 per violation, in addition to any enforcement mechanism authorized in § 144G.20 for widespread violations;
Level 3: a fine of $3,000 per violation per incident, in addition to any enforcement mechanism authorized in § 144G.20.

Level 4: a fine of $5,000 per incident, in addition to any enforcement mechanism authorized in § 144G.20.

In accordance with Minn. Stat. § 144G.20, Subd. 4(a)(5), the Department of Health imposes fine amounts of either $1,000 or $5,000 to licensees who are found to be responsible for maltreatment. The Department of Health imposes a fine of $1,000 for each substantiated maltreatment violation that consists of abuse, neglect, or financial exploitation according to Minn. Stat. § 626.5572. Subds. 2, 9, 17. The Department of Health also may impose a fine of $5,000 for each substantiated maltreatment violation consisting of sexual assault, death, or abuse resulting in serious injury.

In accordance with Minn. Stat. § 144G.31, Subd. 4(a)(5)(b), when a fine is assessed against a facility for substantiated maltreatment, the commissioner shall not also impose an immediate fine under this chapter for the same circumstance.

Therefore, in accordance with Minn. Stat. §§ 144G.01 to 144G.9999, the following fines are assessed pursuant to this evaluation:

St - 0 - 1600 - 144g.70 Subdivision 1 - Acceptance Of Residents - $3,000.00

The total amount you are assessed is $3,000.00. You will be invoiced after 15 days of the receipt of this notice, subject to appeal.

DOCUMENTATION OF ACTION TO COMPLY

Per Minn. Stat. § 144G.30, Subd. 5(c), the licensee must document any action taken to comply with the correction order by the correction order date. A copy of the provider's records documenting those actions may be requested for follow-up evaluations. The licensee is not required to submit a plan of correction for approval.

The correction order documentation should include the following:

- Identify how the area(s) of noncompliance was corrected related to the resident(s)/employee(s) identified in the correction order.
- Identify how the area(s) of noncompliance was corrected for all of the provider's residents/employees that may be affected by the noncompliance.
- Identify what changes to your systems and practices were made to ensure compliance with the specific statute(s).

CORRECTION ORDER RECONSIDERATION PROCESS

In accordance with Minn. Stat. § 144G.32, Subd. 2, you may challenge the correction order issued, including the level and scope, and any fine assessed through the correction order reconsideration process. The request for reconsideration must be in writing and received by the Department of Health within 15 calendar days of the correction order receipt date.
