F 000	INITIAL COMMENTS The State Agency (SA) conducted a Covid Infection Control Survey and a Complaint Investigation (CI) at the facility on 08/10/21 for CI MS #17975 related to neglect, pressure ulcers and restricted visitation. During the survey, the SA determined that the facility was in compliance with Medicare and Medicaid regulations of participation and were not able to substantiate the allegations. The facility was found to be in compliance with 42 CFR §483.80 infection control regulations with CMS and Centers for Disease Control and Prevention (CDC) recommended practices to prepare for COVID-19. Census at time of the survey was 75 with a bed capacity of 120.	F 000

TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
