CI MS# 25759 and CI MS# 25802 were investigated for failure to prevent resident to resident sexual abuse. During the survey, the SA determined that the facility was not in compliance with the Minimum Standards for Institutions for the Aged or Infirm, state licensure requirements and cited M500 for CI MS# 25759 and CI MS# 25802. CI MS# 25830 was investigated related to staff to resident physical abuse and no deficiencies were cited for CI MS# 25830.                                                                                                                                                                                                                                                                                                                                                                             | M 000                                                                                      |                                                                                                                          |                                                                    |

The Maintenance staff and Resident #3 both told Resident #1 to stop. The Maintenance staff took Resident #3 inside to the nurses' station and Resident #1 came by and touched her again. The Maintenance man then reported the incident to Social Services. Upon facility interview on 7/11/24, Resident #3 stated on 6/24/24 Resident #1 touched her breast, and she did not want him to touch her. Upon facility interview on 7/11/24, Resident #1 denied knowledge of the incident and stated that he did not know Resident #3.</p> <p>Record review of "Statement of Witness-Confidential" revealed Social Services provided a witness statement to the Administrator dated 7/11/24, which indicated on 6/24/24 Maintenance staff notified her that Resident #1 touched #3 while outside on the patio and again at the nurses' station.</p> <p>Interview with the Maintenance staff on 7/15/24 at 2:00 PM, revealed on 6/24/24 at 3:45 PM, he had taken residents out to the smoking patio to smoke, and he saw Resident #1 touch Resident #3's breast. He stated that he could not leave the residents unsupervised so as soon as the resident cigarette break was over, he took Resident #3 inside to the nurses' station and Resident #1 touched her again. The Maintenance staff stated Social Services was there, so he reported the incident to her.</p> <p>Record review of a handwritten statement signed</p> | M 500                                                                                      | <p>Committee which consist of the Administrator, Director of Nursing, Social Services, Medical Director, and Nurse Supervisor.
