The facility was found to be in compliance with infection control regulations and has implemented the Centers for Medicare and Medicaid (CMS) and the Centers for Disease Control and Prevention (CDC) recommended practices to prepare for COVID-19. CI MS #17460 was not substantiated for Resident Abuse/Neglect and Quality of Care for wounds and falls. No deficiencies were cited related to CI MS #17460. At the time of the survey the census was 119.</p> | F 000                                                                      |                                                                                                                          |                            |                                                                        |

TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
