MS #26298 was investigated related to verbal abuse and resident rights, MS #26669 was investigated for staffing, and MS #26923 was investigated for call bell not answered, falls, and neglect. During the survey, the SA determined the facility was in compliance with the requirements for participation in Medicare and Medicaid and there were no deficiencies cited.</p> <p>The facility held a license for 60 beds, with a census of 57.</p> | F 000                                                                      |                                                                                                                          |  |                                                                    |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
