MS #28741 was investigated for resident falls and pressure sores. During the survey, the SA determined the facility was in compliance with the requirements of participation in Medicare and Medicaid and there were no deficiencies cited. However, the facility remains out of compliance due to deficiencies cited on the 04/24/25 survey.</p> <p>The facility had a census of 64 and was licensed for 100 beds.</p> | F 000                                                                      |                                                                                                                          |  |                                                                        |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
