The information reviewed confirmed the facility had put measures in place to correct the deficient practice and sustain compliance with Medicare and Medicaid requirements of participation. The SA is recommending that your facility be placed back in compliance effective 02/24/25.</p> <p>The census at the time of survey was 88 and the facility held a license for 119 beds.</p> | {F 000}                                                                    |                                                                                                                          |  |                                                                      |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
