When the facility transfers or discharges a resident under any of the circumstances specified in paragraphs (c)(1)(i)(A) through (F) of this section, the facility must ensure that the transfer or discharge is documented in the resident's medical record and appropriate information is communicated to the receiving health care institution or provider. (iii) Information provided to the receiving provider must include a minimum of the following: (A) Contact information of the practitioner responsible for the care of the resident. (B) Resident representative information including contact information (C) Advance Directive information (D) All special instructions or precautions for ongoing care, as appropriate.		F0628				

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

(ii) A final summary of the resident's status to include items in paragraph (b)(1) of §483.20, at the time of the discharge that is available for release to authorized persons and agencies, with the consent of the resident or resident's representative. (iii) Reconciliation of all pre-discharge medications with the resident's post-discharge medications (both prescribed and over-the-counter). This REQUIREMENT is NOT MET as evidenced by: Based on staff interview, record review and facility policy review, the facility failed to provide written transfer notice to a resident's representative for one (1) of nine (9) residents records reviewed. Resident #1 Findings Include Review of the facility policy, titled "Transfer or Discharge Notice", revealed, "Policy Interpretation and Implementation...5. The resident and representatives are notified in writing of the following information: a. The specific reason for the transfer or discharge. b. The effective date of the transfer or discharge. c. The location to which the resident is being transferred or discharged..." Review of the online complaint received revealed that Resident #1's resident representative was not notified by the facility of his transfer to the emergency room on 6/25/25. Record review of a "Progress Note", dated 6/25/25, revealed that Resident #1 was transferred to the emergency room on 6/25/25 at 3:05 PM. In an interview with the Administrator (ADM) on 8/11/25 at 3:45 PM, she stated that no written Hospital Transfer Notification was sent to the Resident #1's Resident Representative because he returned to the facility before midnight and was only gone a few hours, so they didn't think it had to be sent. Record review of the "Admission Record" revealed that the facility admitted Resident #1 on 11/11/24 with a diagnosis of Cerebral Infarction.		F0628
