F0000	INITIAL COMMENTS The State Agency (SA) conducted a Complaint Investigation (CI), MS #2593840, at the facility on 9/2/25. MS #2593840 was investigated for an allegation of neglect when a resident complained of leg pain and was later transferred to the hospital, where a fractured femur was identified that ultimately resulted in amputation. During the survey, the SA determined the facility was in compliance with the requirements of participation in Medicare and Medicaid and there were no deficiencies cited. The facility held a license for 99 beds, with a census of 61.			F0000			

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
