F0000	INITIAL COMMENTS The State Agency (SA) conducted an Annual Recertification survey along with one (1) Complaint Investigation (CI MS #2707861), at the facility from 1/11/26 through 1/14/26. CI MS #2707861 was investigated related to an allegation of bed bugs and medication administration and there were no deficiencies cited related to the complaint. During the recertification survey, the SA determined the facility was not in compliance with the requirements of participation in Medicare and Medicaid and cited F584, F656, F657, F658, F693, and F851. The facility had a census of 86 and was licensed for 90 beds.		F0000				
F0584 SS = D	Safe/Clean/Comfortable/Homelike Environment CFR(s): 483.10(i)(1)-(7) §483.10(i) Safe Environment. The resident has a right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely. The facility must provide- §483.10(i)(1) A safe, clean, comfortable, and homelike environment, allowing the resident to use his or her personal belongings to the extent possible. (i) This includes ensuring that the resident can receive care and services safely and that the physical layout of the facility maximizes resident independence and does not pose a safety risk. (ii) The facility shall exercise reasonable care for the protection of the resident's property from loss or theft. §483.10(i)(2) Housekeeping and maintenance services necessary to maintain a sanitary, orderly, and		F0584				

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F0584 SS = D	Continued from page 2 been laundered or changed. On 1/14/26 at 9:04 AM, during an interview and observation, Resident #20 reported she asked to have her privacy curtain cleaned but was informed the stains were from her roommate's tube feeding solution spilling onto the curtain. She reported she had never seen her privacy curtain cleaned since admission, and the privacy curtain was observed to have several large brown stains near the bed. On 1/14/26 at 12:36 PM, during an interview and observation, the Housekeeping Supervisor #1 reported privacy curtains were removed and cleaned upon request, with maintenance responsible for removal and rehanging and housekeeping responsible for washing and drying. During the observation of Resident #20's privacy, the Housekeeping Supervisor verified it was visibly soiled and stated it would be removed, washed, and rehung. She reported her expectation was for staff to ensure residents' needs were met and promptly reported. On 1/14/26 at 12:45 PM, during an interview, the Administrator reported his expectation was for housekeeping and environmental services staff to ensure privacy curtains for residents were changed and cleaned. Resident #9 A record review of the "Admission Record" revealed the facility admitted Resident #9 on 1/4/23 with current diagnoses including Type Two (2) Diabetes Mellitus. A record review of the Minimum Data Set (MDS) with an Assessment Reference Date (ARD) of 12/10/25 revealed Resident #9 had a Brief Interview for Mental Status (BIMS) score of fifteen (15), which indicated the resident was cognitively intact. Resident #20 A record review of the "Admission Record" revealed the facility admitted Resident #20 on 7/21/23 with current diagnoses including Chronic Obstructive Pulmonary Disease. A record review of the MDS with an ARD of 12/30/25 revealed Resident #20 had a BIMS score of (15), which indicated the resident was cognitively intact.	F0584

F0656 SS = D	Continued from page 4 Based on observation, interviews, record review, and facility policy review, the facility failed to ensure comprehensive care plan interventions were implemented related to anchoring indwelling catheter tubing for one (1) of 19 sampled residents. Resident #85. Findings include: A review of the facility's policy, "Comprehensive Care Plans", dated 6/4/25, revealed, "...It is the policy of this facility to...implement a comprehensive person-centered care plan for each residents...that includes measurable objectives and timeframes to meet a resident's medical, nursing...needs and...meet professional standards of quality...Policy Explanation and Compliance Guidelines...3. The comprehensive care plan will describe, at a minimum, the following: a. The services that are to be furnished to attain or maintain the resident's highest practicable physical, mental, and psychosocial well-being..." Resident #85 A record review of the "Care Plan Detail" revealed Resident #85 had a "Focus" of "...Indwelling Catheter..." with "Interventions/Tasks" of "Foley (Indwelling) catheter: check leg anchor q shift..." A record review of the "Order Details" revealed Resident #85 had a Physician's Order dated 8/1/24 for "LEG STRAP to anchor indwelling catheter in place q (every) shift." During an observation and interview on 1/14/26 at 8:36 AM, Resident #85 was lying in bed preparing for wound care and did not have a leg anchor or strap securing catheter tubing. During an interview on 1/14/26 at 8:55 AM, Registered Nurse (RN) #1 confirmed that Resident #85 did not have a leg anchor in place. After reviewing the care plan, she confirmed there was a care plan intervention for the resident to have a leg strap or anchor for the catheter tubing. During an interview on 1/14/26 at 10:15 AM, RN #2/Care Plan Nurse confirmed the catheter care plan for Resident #85 included an intervention of a leg anchor for the catheter tubing. She stated that staff lets her know if a resident frequently refuses interventions and the care plan be revised. She reported that the care plan should reflect the actual care, and she expected staff to implement care plan interventions.	F0656

F0851 SS = F	Continued from page 11 Direct Care Staff are those individuals who, through interpersonal contact with residents or resident care management, provide care and services to allow residents to attain or maintain the highest practicable physical, mental, and psychosocial well-being. Direct care staff does not include individuals whose primary duty is maintaining the physical environment of the long term care facility (for example, housekeeping). §483.70(p)(2) Submission requirements. The facility must electronically submit to CMS complete and accurate direct care staffing information, including the following: (i) The category of work for each person on direct care staff (including, but not limited to, whether the individual is a registered nurse, licensed practical nurse, licensed vocational nurse, certified nursing assistant, therapist, or other type of medical personnel as specified by CMS); (ii) Resident census data; and (iii) Information on direct care staff turnover and tenure, and on the hours of care provided by each category of staff per resident per day (including, but not limited to, start date, end date (as applicable), and hours worked for each individual). §483.70(p)(3) Distinguishing employee from agency and contract staff. When reporting information about direct care staff, the facility must specify whether the individual is an employee of the facility, or is engaged by the facility under contract or through an agency. §483.70(p)(4) Data format. The facility must submit direct care staffing information in the uniform format specified by CMS. §483.70(p)(5) Submission schedule. The facility must submit direct care staffing information on the schedule specified by CMS, but no less frequently than quarterly. This REQUIREMENT is NOT MET as evidenced by:			F0851

F0851 SS = F	Continued from page 12 Based on staff interview, record review, and facility policy review, the facility failed to ensure Payroll-Based Journal (PBJ) staffing information was accurate and corrected prior to submission to the Centers for Medicare and Medicaid Services (CMS) for one (1) of four (4) quarters reviewed in 2025. FY (Fiscal Year) Quarter 3 2025 (April 1 – June 30) Findings include: A review of the facility's policy, "Payroll Based Journal "dated 6/1/2025, revealed, "...It is the policy of this facility to electronically submit timely to CMS complete and accurate direct care staffing information, including information for agency and contract staff, based on payroll and other verifiable and auditable data in a uniform format according to specifications established by CMS..." A record review of the "PBJ Data Report", for FY (Fiscal Year) Quarter 3 2025 (April 1 – June 30) revealed the facility triggered for excessively low weekend staffing, no Registered Nurse (RN) coverage for four (4) or more days, and failure to provide licensed nursing coverage 24 hours per day. The facility also triggered a one-star staffing rating. On 1/13/26 at 9:00 AM, during an interview, the Director of Nursing (DON) stated she was aware the PBJ data reflected the facility triggered for a one-star staffing rating, excessively low weekend staffing, no RN coverage during a 24-hour period, and failure to maintain licensed nursing coverage 24 hours per day. The DON stated that RNs were present in the building daily for eight (8) hours and licensed nurses were present daily. She further stated the corporate office failed to submit the PBJ data correctly. On 1/13/26 at 10:00 AM, during an interview, the Administrator confirmed he was aware the PBJ report indicated the facility triggered for a one-star staffing rating, excessively low weekend staffing, no RN coverage during a 24-hour period, and failure to maintain licensed nursing coverage 24 hours per day. The Administrator stated he questioned the report with the corporate office and was informed the PBJ data had been submitted incorrectly to CMS. On 1/13/26 at 10:30 AM, during an interview the Consultant confirmed the facility triggered for a one-star staffing rating, excessively low weekend staffing, no RN coverage during a 24-hour period, and failure to maintain licensed nursing coverage 24 hours per day. The Consultant stated PBJ data for several		F0851
