F0000	INITIAL COMMENTS The State Agency (SA) conducted an onsite revisit on 2/2/26 related to the complaint investigation that was completed on 12/23/25. The information reviewed confirmed that the facility had implemented measures to correct the deficient practice and maintain compliance with Medicare and Medicaid participation requirements. The SA is recommending that your facility be placed back in compliance effective 01/27/26. The facility census at the time of the survey was 50 with a bed capacity of 64 beds.			F0000			

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See reverse for further instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
