The facility was found in compliance with infection control regulations and has implemented the recommended practices by CMS and Centers for Disease Control and Prevention (CDC) to prepare for COVID-19. The census at the time of the survey was 81 with a license for 106 beds. | F 000                                                                      |                                                                                                                          |                            |                                                        |

TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
