F 000	INITIAL COMMENTS CI MS #16358 & CI MS #16392 The State Agency (SA) conducted an abbreviated/partial investigating MS CL 16358 beginning 12/18/19 through 12/19/19. Concerns identified in the complaint were related to quality of care/treatment, Fall with Fracture. These concerns were not substantiated, and no deficiencies were cited. During the survey the SA determined the facility was in substantial compliance with requirements for participation in Medicare and Medicaid. The facility had a census of 103 at the time of the complaint survey. The State Agency (SA) conducted an abbreviated/partial extended survey investigating MS CI 16392 beginning 12/18/19 through 12/19/19. Concerns identified in the complaint were related to quality of care and neglect of Resident #1. Specific concerns from the responsible party included: 1) neglect, not giving Resident #1 water to prevent dehydration, 2) falls and 2) failure to provide incontinent care. These concerns were not substantiated, and no deficiencies were cited. During the survey the SA determined the facility was in substantial compliance with requirements for participation in Medicare and Medicaid. The facility had a census of 103 at the time of the complaint survey.	F 000

TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
