The facility was in substantial compliance with Infection Control guidelines. The facility was following infection control safety practices and guidance recommended by the Centers for Medicare and Medicaid Services (CMS) and the Center for Disease Control and Prevention (CDC), during a COVID-19 pandemic. At the time of the survey, the facility census was 42.</p> |                                                                            |  | F 000                                                                                     |                                                                                                                          |                                                        |                            |

TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
