F 000	INITIAL COMMENTS On 12/29/22 the State Agency (SA) conducted a complaint survey for CI MS #19786. During the survey, the SA determined that the facility followed the requirements for participation in Medicare and Medicaid Services and did not substantiate the allegations related to quality of care with a resident being left wet for extended periods of time and dietary services with food being cold. The facility was licensed for 100 beds and the census was 94 at the time of the survey.	F 000

TITLE

(X6) DATE

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
