The information provided by the facility confirmed the facility had put measures in place to correct the deficient practice and sustain compliance with applicable provisions of the 2012 (existing) Edition of the Life Safety Code (LSC) of the National Fire Protection Association (NFPA). The SA is recommending that your facility be placed back in compliance effective 08/15/23.</p> |                                                                            |  | {K 000}                                                                                          |                                                                                                                          |                                                                    |                            |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
