C 204	Continued From page 1 Review of Resident #2's record failed to reveal a more current FL-2 which would have been completed within the 90 days prior to the 03/01/2016 date of admission. (The FL-2 should have been completed on or after 12/2/2016.) Interview with the Medication Aide/Live-In on 04/01/16 at 10:45AM revealed: -The Administrator is responsible for completing admission paperwork. -Staff only assists with the paperwork when they are asked too. Interview with the Medication Aide/Live-In on 04/01/16 at 5:30PM revealed: -Resident #2 was previously admitted to this facility back in November 2015. -Resident #2 left this facility in December 2015 because there were only two residents at the facility and they could no longer afford to keep it open just for two residents. -Resident #2 returned to this facility on 03/01/16. Interview with the Administrator on 04/04/16 at 12 noon revealed: -The Administrator is responsible for getting residents an appointment with the primary care physician upon admission. -The appointments are to have the FL-2, tuberculosis skin test, care plan and personal care service sheets filled out by the primary care physician. -The facility tries to complete all of the admission paperwork within 72 hours of admission. -Resident #2 was admitted from one of their sister facilities which was why they were using the FL-2 dated 11/18/15.
