C 000	Initial Comments The Adult Care Licensure Section conducted an annual survey on 06/22/17.	C 000	
C 140	10A NCAC 13G .0405(a)(b) Test For Tuberculosis 10A NCAC 13G .0405 Test For Tuberculosis (a) Upon employment or living in a family care home, the administrator, all other staff and any live-in non-residents shall be tested for tuberculosis disease in compliance with control measures adopted by the Commission for Health Services as specified in 10A NCAC 41A .0205 including subsequent amendments and editions. Copies of the rule are available at no charge by contacting the Department of Health and Human Services, Tuberculosis Control Program, 1902 Mail Service Center, Raleigh, NC 27699-1902. (b) There shall be documentation on file in the home that the administrator, all other staff and any live-in non-residents are free of tuberculosis disease that poses a direct threat to the health or safety of others. This Rule is not met as evidenced by: Based on interviews and record reviews, the facility failed to assure 2 of 3 staff sampled (B, C) were tested upon employment for tuberculosis (TB) disease in compliance with control measures adopted by the Commission for Health Services. The findings are: 1. Review of Staff B's personnel file revealed: -She was hired as a medication aide / nurse aide on 03/19/17. -There was a tuberculosis (TB) skin test placed	C 140	1. Staff B is no longer employed with the facility so no corrective action has been taken on this finding. 2. Staff C has been administered a second TB test on 7/18/17, and read on 7/20/17 with a result of negative. 3. Administrator has created a new checklist of items for each employee and noted on the checklist that Step 2 of the TB test will be completed after the employment begin date. The checklist is attached. 4. All the current staff will be verified to have Step 2 of the TB Test completed after the employment begin date. C140 Addendum per telephone with Mr. Shirish Shevade on 7/24/17: All current staff records have been reviewed and all staff will have required TB tests and documentation completed by 7/31/17. Any new hires with NO TB test will have 1 step prior to hire and the second step within 2-3 weeks of the 1st step TB test. Any new hire with a TB skin test within the last 12 months or with a 2 step TB test prior to hire will have an additional TB skin test. The SIC and/or Administrator reviews personnel files monthly to assure the required documentation is on file. correction date is 7/31/17
