| {C 000}                  | <p>Initial Comments</p> <p>Report of Biennial Follow Up Construction Survey by Dennis Harrell on 6-26-2018.</p> <p>A deficiency was not corrected. Further action is required.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                             | {C 000}             |                                                                                                                                                                                                                                                                                                                                                                                                                      |                          |
| {C 150}                  | <p>Corridors-Free of equipment and Obstructions</p> <p>SECTION .0300 - PHYSICAL PLANT<br/>10A NCAC 13F .0305 PHYSICAL ENVIRONMENT</p> <p>(g) The requirements for corridors are:<br/>(4) Corridors shall be free of all equipment and other obstructions.</p> <p>This Rule is not met as evidenced by:<br/>Based on observation, the corridor was not maintained free of obstructions. At least 6 feet of clear width must be maintained in exit corridors. Findings on 6-26-2018:<br/>Two med carts were stored in the second floor corridor at the Resident Care Center reducing the clear width to only 3 ft. 4 inches.</p> | {C 150}             | <p>C150 - The med carts have been removed from all halls through out the community. Med Carts will be stored in an area that is not in the halls to give the hallway 6ft of clearance. Will be monitored monthly through the Safety Committee when doing building rounds. The results of these building round audits will be reported by the Maintenance Director and/or designee to the QA committee quarterly.</p> | <p>17/3/18</p>           |
