10A NCAC 13F .0504 (a) Competency Validation for LHPS Tasks

As outlined during survey process, the LHPS check offs are routine. Two of three staff (MA) did not have an LHPS checkoff.

On 03/10/2020 the Administrative Assistant audited the employee files for LHPS validation. At this time a training was scheduled with the LHPS nurse to come on 03/19/2020 to complete all LHPS that were needed to be done. The training was cancelled because of the COVID-19 virus. The LHPS skills validations will be completed by an RN from the Quality Management Team on 3/25/2020 at 9:00AM. The RCC is responsible and will notify the LHPS Nurse when staff needs to be checked off. The Administrative Assistant will audit staff files every three months to assure that LHPS's are completed. The Administrator will also monitor once a month that LHPS's are completed and signed by an RN and placed in their personnel file.
