D 310	Continued From page 1 -It was dated 07/21/21. -Resident #4 was on a finger food diet. Observation of Resident #4 during the lunch meal service on 09/27/21 at 1:19pm revealed: -She ate lunch by herself in her room. -Her lunch consisted of baked beans, barbeque brisket, white rice and a square slice of cake. -She fed herself with a spoon and dropped rice and beans on her shirt multiple times. Observation of Resident #4 during the breakfast meal service on 09/28/21 at 9:10am revealed: -She was in bed with her eyes closed. -The bedside table was over her bed with a plate of scrambled eggs, 2 slices of bacon and a bowl of grits. -A fork stuck out of the pile of scrambled eggs. Interview with a medication aide (MA) on 09/27/21 at 1:19pm revealed: -Resident #4 had a finger food diet order. -She encouraged the dietary staff to offer her menu items from the entire regular menu since Resident #4 did not like to eat a lot of sandwiches. Interview with the Cook on 09/28/21 at 9:55am revealed: -She was responsible for plating the residents' meals in the kitchen and for knowing the residents' diet orders. -She typically served what the resident selected on the menu unless the item was not allowed on the resident's diet. -If the resident selected something that was not allowed, the dietary aide or personal care aide (PCA) was responsible for obtaining a different menu selection from the resident. -She was not aware that Resident #4 was	D 310
