(2) Table service shall include a napkin and non-disposable place setting consisting of at least a knife, fork, spoon, plate and beverage containers. Exceptions may be made on an individual basis and shall be based on documented needs or preferences of the resident. This Rule is not met as evidenced by: Based on observations and interviews the facility failed to ensure residents were provided non-disposable place settings including forks, knives, spoons, and cups at meal service. The findings are: Observation of a resident's room on 02/09/23 at 9:12am revealed there was a styrofoam to go plate placed on her nightstand in her room. Observation of a second resident's room on 02/09/23 at 8:55am revealed dietary staff placed three styrofoam cups on the nightstand. Observations of the second resident's on 02/09/23 at 9:06am revealed: -She was seated in her room with her breakfast meal in a styrofoam to go plate. -She had one plastic fork, spoon, and knife as her	D287 We started using non-disposable plates, cups and utensils to serve meals to residents in their rooms. All meals will be served from non - disposable plates, cups and utensils. The administrator met with the dietary staff to make sure they understood the deficiency cited during the survey and the measures we are using to correct the deficiency. The administrator will monitor a meal once a week to make sure the meals are being served using non - disposable plates, cups and utensils. All residents will be served in the dining room unless approved by the administrator and in room dining would be on a temporary basis.	2/9/23 3/9/23
