RE: Divine Family Care Home III – FC Biennial Survey

45 Cannady Way

Franklinton (Franklin County)

FID #110039

Dear Mr. Isijola:

Thank you for the cooperation and courtesies extended during the recent Division of Health Service Regulation (DHSR) – Construction Section Biennial survey of your facility on March 19, 2024. As a result of the survey, deficiencies were cited which will require an acceptable Plan of Correction. The deficiencies cited are listed on the enclosed Statement of Deficiency. Your Plan of Correction should indicate the following:

- What corrective action(s) will be accomplished in those areas of the facility found to have been affected by the deficient practice;
- How you will identify other areas of the facility having the potential to be affected by the same deficient practice and what corrective action will be taken;
- What measures will be put into place or what systemic changes you will make to ensure that the deficient practice does not recur; and,
- How the corrective action(s) will be monitored to ensure the deficient practice will not recur, i.e., what quality assurance program will be put into place.
- Include dates when corrective action will be completed. The corrective action dates must be acceptable to the State.
  1. Corrective action must begin immediately.
  2. Any completion date greater than 45 days from date of survey requires a written waiver from DHSR – Construction Section.

Please type or print clearly your correction action on the enclosed Statement of Deficiencies. You will need to

Prior to making any changes to your facility you will need to verify with the local Building Official whether or not a permit is needed to make the changes on the enclosed Statement of Deficiencies. The North Carolina State Building Code requires that "No person, firm or corporation shall erect, construct, enlarge, install, alter, repair, move, improve, convert or demolish any building, structure, or service system without first obtaining a permit for such from the Inspection Department having jurisdiction."

Informal Dispute Resolution

In accordance with G.S. § 131D-2.11(a2), you have one opportunity to question cited deficiencies through an informal dispute resolution (IDR) process. You may also contest the severity of noncompliance that resulted in a violation determination. To be given such an opportunity, you are required to send your written request identifying the specific deficiencies being disputed postmarked by April 18, 2024. An explanation of why you are disputing those deficiencies (or why you are disputing the severity of noncompliance that resulted in a violation determination) along with any supporting documentation must be sent and postmarked by April 18, 2024. You must submit 2 copies of material and highlight or use some other means to identify written information pertinent to the disputed deficiency(ies). Additional written material that does not meet these requirements will not be reviewed. This information should be sent to: Jeff Harms, Acting Construction Section Chief, 2705 Mail Service Center, Raleigh NC 27699-2705. An incomplete informal dispute resolution process will not delay the effective date of any enforcement action. IDR Procedures can be accessed at: <https://info.ncdhhs.gov/dhsr/>.

Please do not hesitate to call us if you have questions concerning the deficiencies or if we can be of other assistance.

Sincerely,

*David Hickman*

At the time of the survey, it was observed that the heat detector in the attic was disconnected and not functioning properly. This is not compliant with the rule. Take the necessary steps to repair or replace the heat detector. The heat detector needs to be 194 degree fixed temperature of 135 degree, rate of rise. The detector needs to be wired on a dedicated circuit. | C 174                                                                      | The heat detector in the attic has been connected, fixed and working properly. It was fixed on the 11th of April. Moving forward Divine Family Staff will ensure that the heat detector will continue to be in a working mode. See the attached receipt of repair and picture. | 4/19/24            |                                                     |
