C 000	Initial Comments The Adult Care Licensure Section conducted an initial survey on 10/03/24.	C 000			
C 131	10A NCAC 13G .0403(a) Qualifications of Medication Staff 10A NCAC 13G .0403 QUALIFICATIONS OF MEDICATION STAFF (a) Family care home staff who administer medications, hereafter referred to as medication aides, and their direct supervisors shall complete training, clinical skills validation, and pass the written examination as set forth in G.S. 131D-4.5B. Persons authorized by state occupational licensure laws to administer medications are exempt from this requirement. This Rule is not met as evidenced by: Based on interviews and record reviews, the facility failed to ensure 2 of 3 sampled staff (Staff A and Staff B) who administered medications, had successfully passed the state written medication administration examination. The findings are: 1. Review of Staff A's, medication aide (MA)/personal care aide (PCA), personnel record revealed: -Staff A was hired on 07/01/24. -There was documentation Staff A completed the 15-hour medication aide training on 07/15/24. -There was documentation Staff A completed a medication clinical skills validation checklist on 07/12/24. -There was no documentation Staff A had taken and passed the written medication administration examination.	C 131	Plan of Corrections Grace Castle Family Care Services. Complaint Survey October 2, 2024. Staff has a mandated requirement to successfully complete the 10A NCAC 13G Qualifications of Medication entirely to have the privilege to administer medications. Staff A privilege to administer medications has been immediately suspended until proven Pass result of the medications examination has been submitted. Findings: Staff A did not obtain a successful pass of the written medications examination as required by 10A NCAC 13G. 0403. Staff did sit for the exam on 09/06/2024 but failed and did not share the result with supervisor. When investigated on 10/2/2024 staff A share she planned of retaking the exam to report the passing mark instead. The supervisor in charge and administrator will recommend that the passing of the written medication examination is included in staff on boarding process. Therefore, to complete the staff onboarding process the written medication examination pass result must be included for staff onboarding packet. Supervisor in charge and Administrator will provide an in-service, continue to monitor annual training, and communicate with staff regarding training schedule, requirements, and policy	10/02/2024	10/02/2024
