The contract for each resident of an assisted living facility shall include a refund policy to be implemented at the time of a resident's death. The refund policy shall provide that the resident's estate or responsible party is entitled to a prorated refund based on the calculated daily rate for any unused portion of payment beyond the termination date after all charges have been paid to the licensee. For the purpose of this section, the termination date shall be the date the unit is vacated by the resident due to the resident's death and cleared of all personal belongings. B. If the resident's belongings are not claimed within forty-five days after notification, the facility may dispose of them. C. The findings are: A. Record review of R #1's Admission/Discharge agreement (dated 03/17/22), revealed the agreement stated, "Under no circumstances, including termination, discharge, transfer, death, or eviction, will there be refund of monthly rent for any period." B. Record review of R #2's Admission/Discharge agreement (dated 03/30/22) revealed the agreement stated, "Under no circumstances, including termination, discharge, transfer, death, or eviction, will there be refund of monthly rent for any period."
