{A 068}	Continued From page 5 7.8.2.68 B (1) This is an uncorrected deficiency for survey dated 03/04/20 Based on record review and interview, the facility failed to ensure that Direct Care Staff (DCS) had the required six (6) hours of palliative/hospice training including one hour specific to the resident's Individual Service Plan (ISP) annually. This deficient practice could likely result in all 3 (R #s 1-3) residents identified as receiving hospice services by the Administrator on 03/04/20, to be at risk of harm or injury if DCS do not know the proper methods of providing care and services. The findings are: A. Record review of DCS #2's employee file (date of hire 02/14/18) revealed only 1 hour of palliative/hospice care training in the past year. B. On 03/04/20 at 3:15 pm, during an interview, the Executive Director confirmed that DCS #2 had not received the required 6 hours of palliative/hospice care training in the past year.	{A 068}
