A 016	Continued From page 2 7.8.2.16 A (9) B (3) (7) Refer to 7.1.12 EMPLOYEE ABUSE REGISTRY 7.1.12.8 REGISTRY ESTABLISHED; PROVIDER INQUIRY REQUIRED: Upon the effective date of this rule, the department has established and maintains an accurate and complete electronic registry that contains the name, date of birth, address, social security number, and other appropriate identifying information of all persons who, while employed by a provider, have been determined by the department, as a result of an investigation of a complaint, to have engaged in a substantiated registry-referred incident of abuse, neglect or exploitation of a person receiving care or services from a provider. Additions and updates to the registry shall be posted no later than two (2) business days following receipt. Only department staff designated by the custodian may access, maintain and update the data in the registry. A. Provider requirement to inquire of registry. A provider, prior to employing or contracting with an employee, shall inquire of the registry whether the individual under consideration for employment or contracting is listed on the registry. B. Prohibited employment. A provider may not employ or contract with an individual to be an employee if the individual is listed on the registry as having a substantiated registry-referred incident of abuse, neglect or exploitation of a person receiving care or services from a provider. C. Applicant's identifying information required. In making the inquiry to the registry prior to employing or contracting with an employee, the provider shall use identifying information concerning the individual under consideration for employment or contracting sufficient to reasonably and completely search the registry,	A 016

A 016	Continued From page 3 including the name, address, date of birth, social security number, and other appropriate identifying information required by the registry. D. Documentation of inquiry to registry. The provider shall maintain documentation in the employee's personnel or employment records that evidences the fact that the provider made an inquiry to the registry concerning that employee prior to employment. Such documentation must include evidence, based on the response to such inquiry received from the custodian by the provider, that the employee was not listed on the registry as having a substantiated registry-referred incident of abuse, neglect or exploitation. E. Documentation for other staff. With respect to all employed or contracted individuals providing direct care who are licensed health care professionals or certified nurse aides, the provider shall maintain documentation reflecting the individual's current licensure as a health care professional or current certification as a nurse aide. F. Consequences of noncompliance. The department or other governmental agency having regulatory enforcement authority over a provider may sanction a provider in accordance with applicable law if the provider fails to make an appropriate and timely inquiry of the registry, or fails to maintain evidence of such inquiry, in connection with the hiring or contracting of an employee; or for employing or contracting any person to work as an employee who is listed on the registry. Such sanctions may include a directed plan of correction, civil monetary penalty not to exceed five thousand dollars (\$5000) per instance, or termination or non-renewal of any contract with the department or other governmental agency. A 016	Continued From page 6 (2) Care providers shall maintain documented evidence showing the basis for any determination by the care provider that an employee or contractor performs job functions that do not fall within the scope of the requirement for nationwide or statewide criminal history screening. A memorandum in an employee's file stating "This employee does not provide direct care or have routine unsupervised physical or financial access to care recipients served by [name of care provider]," together with the employee's job description, shall suffice for record keeping purposes. Based on record review and interview, the facility failed to ensure that the Administrator and all Direct Care Staff (DCS) were in compliance with the following: 1. Employee Abuse Registry (EAR) inquiries were submitted and clearances received prior to hire by the new facility owner. 2. Submission of the Caregivers Criminal History Screening (CCHSP) applications were submitted within 20 days after hire by the new facility owner. This deficient practice could affect the safety and welfare of all 2 (R #s 1-2) residents identified on the resident census provided by the Care Director (CD) on 12/17/19, to be at risk or harm if the DCS had a previous history of abuse, neglect, or exploitation or a criminal history that would disqualify them from working with residents. The findings are: A. Record review of the facility's Administrator's and DCS #s 1-2 staff files revealed that the EAR and CCHSP applications had not been submitted for these staff members under the new facility ownership occurring on 01/01/2019. B. On 12/18/19 at 4:08 pm, during an interview	A 016

A 020	Continued From page 14 paid to the licensee. For the purpose of this section, the termination date shall be the date the unit is vacated by the resident due to the resident's death and cleared of all personal belongings. B. If a resident's belongings are not removed within one week of the resident's death and the amount of belongings does not preclude renting the unit, the facility may clear the unit and charge the resident's estate for moving and storing the items at a rate equal to the actual cost to the facility, not to exceed ten percent of the regular rate for the unit; provided that the responsible party for the resident is given notice at least one week before the resident's belongings are removed. If the resident's belongings are not claimed within forty-five days after notification, the facility may dispose of them. C. For the purposes of this section, "assisted living facility" means a facility required to be licensed as an assisted living facility for adults by the department of health." SECTION 2. EMERGENCY. --It is necessary for the public peace, health and safety that this act take effect immediately. Based on record review and interview, the facility failed to ensure for 2 (R #s 1-2) of 2 (R #s 1-2) whose Admission/Discharge Agreements were reviewed for compliance included the required refund upon death information in NMAC 7.8.2.20 Regulations for Assisted Living Facilities and Senate Bill (SB) 0335 - 2013. This deficient practice has the potential for residents/resident's estate to be at risk of not receiving monies owed to them and/or being aware of extra charges that could occur for storage of the residents' belongings. The finding(s) are:	A 020

I. Disclosure to residents. A facility that operates a secured environment shall disclose to the resident and the resident ' s legal representative, if applicable and prior to the resident ' s admission to the facility, that the facility operates a secured environment. (1) The disclosure shall include information about the types of resident diagnosis or behaviors that the facility provides services for and for which the staff are trained to provide care for. (2) The disclosure shall include information about the care, services and the type of secured environment that the facility and trained staff provide. J. Staffing. The facility shall provide the sufficient number of trained staff members to meet the additional needs of the residents in the secured environment. There must be at least one (1) trained staff member awake and in attendance in the secured environment at all times. [7.8.2.69 NMAC - N, 01/15/2010] This REQUIREMENT is not met as evidenced by: 7.8.2.69 D E (1) (a-b) Based on record review and interview, the facility failed to ensure that: 1. An Individual Service Plan (ISP) was created in coordination with the resident's primary care practitioner (PCP), in compliance with the requirements outlined in "Individual Service Plan" 7.8.2.26 NMAC, pursuant to a team meeting as	A 069

A 069	Continued From page 29 described in "Exceptions to admission, readmission and retention as described in Subsection C of 7.8.2.20 NMAC, identifying the resident's needs specific to the secured memory care unit and the services provided. 2. An assessment was completed by a registered nurse (RN) or a physician extender (PE) within fifteen (15) days prior to 01/01/19 by the new facility owner. 3. There were physician's orders stating the need for placement in a memory care unit. This deficient practice has the potential for all 2 (R #s 1-2) residents listed on the census provided by the Care Director, (CD) on 12/17/19 to be at risk of harm if: 1. An assessment is not completed prior to admission by an RN or PE assessing the resident's needs specific to a secured memory care unit. 2. An ISP is not created in coordination with the resident's PCP identifying the resident's specific needs for care within a secured memory care unit. 3. Residents who do not require placement in a secured memory care unit are inappropriately admitted against their will or if their PCP has not determined the placement is needed for personal safety due to Alzheimer's and other related dementia behaviors. The findings are: A. Record review of R #s 1-2 resident files revealed no documentation that: 1. An ISP was created in coordination with their PCP(s). 2. An assessment by a registered nurse (RN) or physician extender (PE) occurred within 15 days prior to 01/01/19. 3. A physician provided a diagnosis or order	A 069

A 069	Continued From page 30 for admission to a secured environment during or 15 days prior to 01/01/19. B. On 12/17/19 at 3:30 pm, during an observation of the front entrance, it was observed that a code was required to open the front door be entered into the security panel by a staff member. C. On 12/18/19 at 4:08 pm, during interview with the Administrator, she confirmed that: 1. The facility's new owner took possession and began operations on 01/01/19. 2. The facility operates as a secured memory care unit requiring a code be entered to exit the facility that only staff members have access to. 3. There was no documentation that R #s 1-2 had an assessment by an RN within 15 days prior to 01/01/19. 4. R #s 1-2 files did not contain a pre-admission physician's orders stating the need for residents to be placed in a memory care (secured) unit after 01/01/19.	A 069
