A 020	Continued From page 4 This REQUIREMENT is not met as evidenced by: This is a repeat deficiency from survey dated 04/15/09. Based on record review and interview the facility failed to have evidence of a team meeting to jointly decide the appropriateness of admission/retention of 2 of 2 (#1 &#2) residents requiring a greater degree of care than the facility would normally provide or is permitted to provide and were receiving services from an outside agency. This deficient practice has the potential for inappropriate care of the residents due to the facility not having team recommendations and identification of the specific needs of the residents. The findings are: A. Review of resident records for residents #1 and #2 revealed no evidence of a team meeting. The record of visit slips from skilled agencies revealed resident #1 was receiving skilled services from a Home Health agency and resident #2 was receiving skilled services from a Hospice agency. B. In an interview with the office manager on 09/07/11 at 3:30 pm, the office manager acknowledged there was no documentation of a team meeting for residents #1 or #2 and did not know if there were meetings for the two residents. [7.8.2.50 NMAC - Rp, 7.8.2.51 NMAC, 01/15/2010] This REQUIREMENT is not met as evidenced by: Based on observation and interview the facility failed to keep an approved exit to the building free from obstructions. This deficient practice has the potential for impeding exit from the building in an emergency and could affect the health and safety of all eleven residents, staff and visitors to the building. The findings are: A. During a tour of the facility on 09/06/11 at 4:30 pm, an empty wheelchair was observed unattended in front of the East corridor door leading to the East approved exit. Three empty powered wheelchairs were observed stored in the East corridor exit in such a way as to impede egress to the East approved exit. B. During a tour of the facility on 09/07/11 at 2:30 pm, an empty wheelchair again was observed unattended in front of the East corridor door leading to the East approved exit. Three empty powered wheelchairs again were observed stored in the East corridor exit in such a way as to impede egress to the East approved exit. C. In an interview with the administrator on 09/07/11 at 3:00 pm, the administrator acknowledged the powered wheelchairs were being stored in the corridor leading to the exit and one of the residents leaves his wheelchair in the corridor by the door when he is in his room. A 068	7 NMAC 8.2.68 Hospice HOSPICE: An assisted living facility that provides or coordinates hospice care and services shall meet the requirements in this section, in addition to the rules applicable to all assisted living facilities, 7.8.2 NMAC. A. Definitions: in addition to the requirements for all assisted living facilities pursuant to " DEFINITIONS, " 7.8.2.7 NMAC, the following definitions shall also apply. (1) " Hospice agency " means an organization, company, for-profit or non-profit corporation or any other entity which provides a coordinated program of palliative and supportive services for physical, psychological, social and the option of spiritual care of terminally ill people and their families. The services are provided by a medically directed interdisciplinary team in the person's home and the agency is required to be licensed pursuant to 7.12 NMAC. (2) " Hospice care " means a focus on palliative, rather than curative care. The goal of the plan of care is to help the patient live as comfortably as possible, with emphasis on eliminating or decreasing pain and other uncomfortable symptoms. (3) " Licensed assisted living provider " means a facility that provides twenty-four (24) hour assisted living and is licensed by the department of health. (4) " Hospice services " means a program of palliative and supportive services which provides physical, psychological, social and spiritual care for terminally ill patients and their family members. (5) " Care coordination requirements " means a written document that outlines the care and services to be provided by the hospice agency for assisted living residents that require hospice	A 068

services.
(6) " Palliative care " means a form of medical care or treatment that is intended to reduce the severity of disease symptoms, rather than to reverse progression of the disease itself or provide a cure.
(7) " Terminally ill " means a diagnosis by a physician for a patient with a prognosis of six (6) months or less to live.
(8) " Visit notes " means the documentation of the services provided for hospice residents and includes ongoing care coordination.
B. Employee training and support. A facility that provides hospice services shall provide the following education and training for employees who assist with providing these services:
(1) provide a minimum of six (6) hours per year of palliative/hospice care training, which includes one (1) hour specific to the hospice resident ' s ISP, in addition to the basic staff education requirements pursuant to 7.8.2.17 NMAC; and
(2) offer an ongoing employee psychological support program for end of life care issues.
C. Individual service plan (ISP) requirements.
(1) Each resident who receives hospice services shall be provided the necessary palliative care to meet the individual resident ' s needs as outlined in the ISP and shall include one (1) hour of training specific to the resident for all direct care staff.
(2) The assisted living facility, in coordination with the hospice provider, shall create an ISP that identifies how the resident's needs are met and includes the following:
(a) the requirements set forth in the " Individual Service Plan, " 7.8.2.26 NMAC, and " Exceptions to admission, readmission and retention, " Subsection C of 7.8.2.20 NMAC;
(b) what services are to be provided;

has the potential for inappropriate care of the residents admitted to hospice that retain residency at the facility. The findings are:

A. Review of records for staff #20 and #21 revealed no documentation staff had received any palliative/hospice care training.

B. In an interview with the administrator on 09/07/11 at 12:00 pm, the administrator acknowledged that none of the staff had received any palliative/hospice care training.

Based on record review and interview the facility failed to have the Individual Service Plan (ISP) detail the services being provided by a hospice agency for 1 resident chart reviewed (#2). This deficient practice has the potential for inappropriate care of the resident due to not knowing the details of the services being provided by the hospice agency. The findings are:

A. Review of records for resident #2 revealed documents (visit slips) he was receiving Hospice services from a skilled agency. There was no admissions documentation from the Hospice agency in the chart.

B. Review of the ISP's for resident #2 revealed no details of any services being provided by the hospice agency.

C. In an interview with the office manager on 09/07/11 at 3:30 pm, the office manager looked through the chart for resident #2 and acknowledged there was no detailed documentation of the hospice services being provided.
