	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a State licensure bed increase survey conducted in your facility on 09/10/24 in accordance with Nevada Administrative Code (NAC) Chapter 449, Residential Facilities for Groups. The facility is licensed for seven Residential Facility for Group beds for elderly and disabled persons and/or persons with Alzheimer's Disease, Category II residents. The facility has applied for a three-bed increase and was approved to add three group beds which provide services for an elderly and disabled person and/or person with Alzheimer's Disease, for a total of 10 Category II beds. The census at the time of the survey was seven. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigation, actions or other claims for relief that may be available to any party under applicable federal, state, or local laws. There were no regulatory deficiencies identified. No further action is necessary. Please retain a copy for your records.			

If deficiencies are cited, an approved plan of correction must be returned within 10 days after receipt of this statement of deficiencies.
