	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a State Licensure mandatory regrading survey and complaint investigation conducted at your facility on 08/21/2024. This State Licensure survey was conducted by the Division of Public and Behavioral Health in accordance with NAC 449, Residential Facility for Groups. The facility was licensed for ten Residential Facility for Group beds for elderly and disabled persons and/or mental illness and/or Alzheimer's disease, Category II residents. The census at the time of the survey was seven. Five resident files and three employee files were reviewed. The facility received a grade of A. There was one complaint investigated. Complaint #NV00071782 with an allegation the group home staff sends residents to the emergency room rather than being seen in the home by a medical provider could not be substantiated due to lack of evidence. The investigation into the allegation included: Interviews were conducted with a Caregiver and the Owner. Reviewed of Caregiver notes, Admission Policy, and resident of concern's record. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state, or local laws. No regulatory deficiencies were identified. No further action is necessary. Please retain a copy of this report for your records.
