0000	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a complaint investigation completed in your facility on 07/01/19, in accordance with Nevada Administrative Code (NAC), Chapter 449, Residential Facility for Groups. The census at the time of the survey was four. The sample size was four residents and three employees. There was one complaint investigated. Complaint #NV00057250 with the following allegations could not be substantiated. Allegation #1: medications were pre-poured and not secured. The investigation into the allegations included: Interviews were conducted with three residents and the Owner. Review of four residents medication administration record (MAR), four resident files and the facility's medication administration policy. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigation, actions or other claims for relief that may be available to any party under applicable federal, state, or local laws. There were no regulatory deficiencies identified. No further action necessary. Please retain a copy for your records.	0000
