	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a mandatory regrading and complaint investigations conducted at your facility on 11/09/21. This State Licensure Survey was conducted in accordance with Nevada Administrative Code (NAC) Chapter 449, Residential Facility for Groups. The facility is licensed for 10 Residential Facility for Group Category II beds for elderly and disabled persons and/or persons with mental illness. The census at the time of the survey was six. Seven resident files were reviewed, including one closed record, and three employee records were reviewed. The facility received a regrading/complaint investigation grade of A. There were two complaints investigated. Complaint #NV00064065 with the allegation a resident was moved to a different facility without notifying the resident's guardian could not be substantiated due to a lack of evidence. The investigation into the allegations included: Observations of residents in the common living areas of the facility. Interviews were conducted with the Owner/Caregiver. Reviewed seven resident records including the resident of concern. Complaint #NV00065079 with the following allegations could not be substantiated due to a lack of evidence: Allegation #1: mold under bathroom sink in a resident's room. Allegation #2: discolored water coming from faucet in guest bathroom. The investigation into the allegations included: Observations of resident rooms and both guest bathrooms. Interviews were conducted with the Owner/Caregiver. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state or local laws. No regulatory deficiencies were identified. No further action is
