0000	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a complaint investigation completed at your facility on 03/06/25, in accordance with Nevada Administrative Code, Chapter 449, Requirements for Residential Facilities for Groups. The facility is licensed for five Residential Facility for Group beds for elderly and disabled persons, and/or persons with Alzheimer's disease, Category II residents. The census at the time of the survey was three. The sample size was four. The facility received a grade of A. There were three complaints investigated: Unsubstantiated: Complaint #NV00073459 could not be substantiated. No regulatory deficiencies could be identified. Complaint #NV00073468 could not be substantiated. No regulatory deficiencies could be identified. Complaint #NV00073612 could not be substantiated. No regulatory deficiencies could be identified. The investigation into the complaints included: -Observations of residents, who were clean and well groomed, caregivers providing care to residents, appropriate staff/resident interactions, meal service, available food onsite and medication pass. -Interviews were conducted with a Caregiver, a Manager, a Registered Nurse and residents. -Clinical record review of four residents, including the resident of concern. -Document review included policy regarding admission and discharge, menu and facility incident reports. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state, or local laws. There were no deficiencies identified. Maintain a copy for your records.	0000		

LABORATORY DIRECTOR'S OR PROVIDER/SUPPLIER REPRESENTATIVE'S SIGNATURE Name: Title: Date:

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
