	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a State Licensure annual regrading survey conducted in your facility on 07/09/21, in accordance with Nevada Administrative Code (NAC) Chapter 449, Residential Facility for Groups. The facility is licensed for 85 Residential Facility for Group beds for elderly and disabled persons Category I and Category II residents. The census at the time of the survey was 76. Five resident files were reviewed and five employee files were reviewed. The facility received a grade of A. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state, or local laws. The following deficiencies were identified:			
0074 SS= D	Elder Abuse Training - NRS 449.093 Training to recognize and prevent abuse of older persons: Persons required to receive; frequency; topics; costs; actions for failure to complete. 1. An applicant for a license to operate a facility for intermediate care, facility for skilled nursing, agency to provide personal care services in the home, facility for the care of adults during the day, residential facility for groups or home for individual residential care must receive training to recognize and prevent the abuse of older persons before a license to operate such a facility, agency or home is issued to the applicant. If an applicant has completed such training within the year preceding the date of the application for a license and the application includes evidence of the training, the applicant shall be deemed to have complied with the requirements of this subsection. 2. A licensee who holds a license to operate a facility for intermediate care, facility for skilled nursing, agency to provide personal care services in the home, facility for the care of adults during the day, residential facility for groups or home for individual residential care must annually receive training to recognize and prevent	0074	Onsite Revisit confirmed compliance 07/09/21.	07/09/2021

If deficiencies are cited, an approved plan of correction must be returned within 10 days after receipt of this statement of deficiencies.

0859 SS= D	Medical Care of Resident After Illness - NAC 449.274 Medical care of resident after illness, injury or accident; periodic physical examination of resident; rejection of medical care by resident; written records. (NRS 449.0302) 5. Before admission and each year after admission, or more frequently if there is a significant change in the physical condition of a resident, the facility shall obtain the results of a general physical examination of the resident by his or her physician. The resident must be cared for pursuant to any instructions provided by the resident 's physician.	0859	Onsite Revisit confirmed compliance 07/09/21.	07/09/202 1
0878 SS= D	Medication/OTCS, Supplements, Change Order - NAC 449.2742 - Administration of medication: Responsibilities of administrator, caregiver and employees of facility. 5. An over-the-counter medication or a dietary supplement may be given to a resident only if the resident's physician has approved the administration of the medication or supplement in writing or the facility is ordered to do so by another physician. The over-the-counter medication or dietary supplement must be administered in accordance with the written instructions of the physician. The administration of over- the-counter medications and dietary supplements must be included in the record required pursuant to paragraph (b) of subsection 1 of NAC 449.2744. 6. Except as otherwise provided in this subsection, a medication prescribed by a physician must be administered as prescribed by the physician. If a physician orders a change in the amount or times medication is to be administered to a resident: (a) The caregiver responsible for assisting in the administration of the medication shall: (1) Comply with the order; (2) Indicate on the container of the medication that a change has occurred; and (Previously Y 0879) (3) Note the change in the record maintained pursuant to paragraph (b) of subsection 1 of NAC 449.2744; (b) Within 5 days after the change is ordered, a copy of the order or prescription signed by the physician must be included in the record maintained pursuant to paragraph (b) of subsection 1 of NAC 449.2744; and (c) If the label prepared by a pharmacist does not match the order	0878	Regarding deficiencyNAC-449.2742, medication change orders, this has also since been rectified, the day of inspection. We recently put a daily audit into place done by our medication technicians and reviewed by leadership (Resident Services Director)weekly. We do not expect this to be an issue moving forward as it will be proactively caught.	08/20/202 1

	or prescription written by a physician, the physician, registered nurse or pharmacist must interpret that order or prescription and, within 5 days after the change is ordered, the interpretation must be included in the record maintained pursuant to paragraph (b) of subsection 1 of NAC 449.2744. Inspector Comments: Based on observation, interview and record review, the facility failed to ensure medication containers indicated a change in medication for 1 of 5 sampled residents (Resident #3). Findings include: Resident #3 Resident #3 was admitted to the facility on 04/22/21, with diagnoses including coronary artery disease and tachycardia. Resident #3's physician order dated 04/20/21, documented potassium chloride extended release, 20 milliequivalents (meq), take one tablet by mouth a day; Take two tablets by mouth twice a day on Monday, Wednesday and Friday. acetaminophen 325 milligrams (mg) take two tablets by mouth twice daily. Resident #3's medication administration record (MAR), dated 07/01/21, documented potassium chloride 20 meq, take one tablet by mouth daily and one tab three times a week in the morning with lasix for swelling on Monday, Wednesday and Friday. Resident #3's medication bottle documented potassium chloride extended release, 20 meq tablet. Take one tablet by mouth everyday with food. Resident #3's potassium chloride extended release 20 meq bottle lacked an order change label. On 07/09/21 at 9:40 AM, the Resident Medication Assistant confirmed there was no order change label on Resident #3's potassium chloride bottle. On 07/09/21 at 9:40 AM, the Executive Director confirmed there was no order change label on Resident #3's potassium chloride bottle. Severity: 2 Scope: 1
