0000	Initial Comments - Inspector Comments: This Statement of Deficiencies was generated as a result of a complaint investigation initiated at your facility on 10/11/18. This State investigation was conducted by the Division of Public and Behavioral Health in accordance with NAC 449, Residential Facility for Groups. The census at the time of the investigation was five. Complaint #NV00054630 with the following allegations could not be substantiated. Allegation #1: Improper use of a toilet chair being used in a shower causing the chair to rust. Allegation #2: Outside railings in backyard were loose. The investigation into the allegations included: Observation included tour of facility, checking all assist bars throughout the facility and any shower chairs utilized. Interviews were conducted with one caregiver and residents. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigation, actions or other claims for relief that may be available to any party under applicable federal, state or local laws. No regulatory deficiencies were identified. No further action is necessary. Please retain a copy of this report for your records.	0000
