0000	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a COVID-19 focused infection control survey conducted in your facility on 11/17/20. This State Licensure Survey was conducted in accordance with Nevada Administrative Code (NAC) Chapter 449, Residential Facility for Groups. The facility was licensed for eight Residential Facility for Group beds for elderly and disabled persons, and/or persons with Alzheimer's disease, Category II residents. The census at the time of the survey was six. No residents or staff have tested positive for COVID-19. The focused COVID-19 infection control survey included the following: Observations: - Facility staff checked the temperature of the health facility inspector prior to entry to the facility. - The health facility inspector was required to answer COVID-19 screening questions related to symptoms, travel history, and exposure to the virus at other facilities prior to entry to the facility. - Three residents were in family room watching television and three residents were in bedrooms during inspection. - Staff disinfected kitchen counters with Lysol disinfectant spray. - Caregiver wore surgical mask. - 67.7 fluid ounce bottle of hand sanitizer at entrance and five gallons of hand sanitizer in the kitchen. - The facility had two electronic temporal thermometers, three boxes of 100 gloves, one box of 50 surgical masks, ten N-95 masks, 50 KN-95 masks, 24 gowns and four face shields. Interview: The Caregiver was interviewed and verbalized the following: - Temperature checks were completed for all staff and essential visitors; screening questions are being completed for staff and visitors. - Temperature checks for residents are conducted daily by caregivers. - Medical professionals are the only persons allowed entry into the facility. - No residents or staff have tested positive for COVID-19. - Residents were served meals at table with one chair between each resident to promote social distancing. - Activities are limited to adhere to social distancing and keeping residents six feet apart. - Staff sanitizes all high touch areas	0000
