0000	Initial Comments Inspector Comments: This Statement of Deficiencies was generated as a result of a COVID 19 focused infection control, State Licensure survey initiated at your facility on 09/21/20, in accordance with Nevada Administrative Code (NAC) Chapter 449, Residential Facility for Groups. The facility was licensed for ten Residential Facility for Group beds for elderly and disabled persons and/or persons with Alzheimer's disease, Category 2 residents. The census at the time of the survey was nine. The facility had no residents or staff positive for COVID-19. Observations: - Facility staff checked the temperature of the health facility inspector prior to entry to the facility using an infra-red thermometer. The facility had three infrared thermometers. - The health facility inspector was required to answer screening questions about COVID-19. This included questions about symptoms and travel history. - Signs were posted on the front door requiring essential visitors to wear masks, gloves, and gowns. - Social distancing was practiced throughout facility. Residents were in their rooms, or in the living room watching television. - Caregiver was observed assisting residents while wearing a mask and gloves. - The facility had three staff members on duty. - Staff washed their hands and utilized alcohol-based hand sanitizers. - The facility had ten 67-ounce bottles of hand sanitizer available and securely stored in locked cabinets. - Twenty boxes containing ten 100 count glove packages (Total of 20,000 gloves) were stored in the garage. - Fifty shoe booties, 20 gowns, 280 surgical masks, and 20 plastic face shields were stored in the garage. Interviews: The facility Administrator/Owner reported: - No residents or staff were COVID-19 positive and the facility has not had any positive cases of COVID-19 during the pandemic. - The facility had four caregivers. The facility has a contract with a temporary employment agency to provide replacement staff, if needed. - Residents communicate with family and friends by phone or computer with caregiver assistance. -	0000

	Window visits with proper social distancing and masks are provided by appointment. - Residents watch television in the living room while practicing social distancing. - Meals are served three residents at a time at a large dining table to ensure social distancing. Residents are also served meals in their rooms. - Activities include music and exercise, painting, trivia and board games, bingo and watching television, while practicing social distancing. - Essential visitors are required to complete temperature checks and a questionnaire about symptoms of COVID-19. Employees are also required to complete temperature and COVID-19 symptom checks when returning to work. - High touch areas and furniture are sanitized daily and as needed with a bleach and water solution. A caregiver reported: - Resident temperatures are checked and they are observed and questioned about COVID-19 symptoms every morning and throughout the day. - If a resident test positive for COVID-19, the resident would be isolated in his/her separate room and isolation signs will be placed on the door. The resident would be assisted by a designated caregiver wearing proper PPE. The caregiver would not be allowed to assist negative COVID-19 residents. Meals would be served with disposable plates and utensils. A separate garbage can would also be utilized. - Dishes are sanitized in the dishwasher immediately after meals are served. - Caregivers are always required to wear masks and gloves. - Residents have their own rooms. Documentation: - Infection control/COVID-19 prevention guidelines were posted on a hallway wall. - Staff were trained on COVID-19 procedures by the owner/administrator. - The facility utilized the Nevada Recommended Prevention and Control Plans for Groups and created its own document re-titled: Golden Years Infection Prevention and Control Plan for Coronavirus. The findings and conclusions of any investigation by the Division of Public and Behavioral Health shall not be construed as prohibiting any criminal or civil investigations, actions or other claims for relief that may be available to any party under applicable federal, state, or local
